MEMORANDUM FOR: Deputy Director/Administration  
FROM: Special Assistant/Personnel  
SUBJECT: Turnover Report.

Attached are two reports covering turnover. The first sheet shows by offices the personnel turnover for January 1952 and the twelve month period ending January 1952. The second sheet gives the same information for January, but separates so-called voluntary and causal separations.

You will note that of the 145 total separations, 47 were security disapprovals. This is up considerably from 12 cases for the same reason for December. We have contacted Colonel Edwards to get his suggestions on anything Personnel might do to help reduce this figure.
